**I. Reading Comprehension :****(5 M)****1. Read the following passage.**

Once upon a time, in a very thick forest there lived many animals, birds, snakes and insects. They all lived together happily. They roamed about the jungle, and played together in the open fields without any fear. The peacocks were very proud of their dances but admired the melodious songs of the cuckoos. The elephants enjoyed watching the fish swimming in the pool. The pythons which were blessed with long bodies, spoke well of the fine fur of the flat-footed rabbits. The tiny ants, which were always busy, tickled the dark buffaloes.

They often held musical evenings in a large open field. The elephant and the deer danced. The mynahs and the parrots sang. The tiger and the bear exhibited gymnastics. They called the moon and his friends, the stars, to be the guests of honour at their musical evenings.
